About Stafford House

- **Stafford House is a 501(c)(3) tax-exempt organization established in 2007.**
- **Our offices are located here in the New Center area of Detroit**
- **Programs include housing for youth, retail store, community outreach activities, educational programs.**

Mission and Vision

- **Our mission is to enrich the lives of youth in our community and to empower them to reach their potential by providing access to opportunities that enhance their growth and development and increase potential for success as they transition into adulthood.**
- **Our Vision and purpose is to proactively address the crisis of homelessness among youth in our community. We provide support and resources that create access to necessary tools that increase personal productivity and attainment of educational goals, both of which serve as a deterrent to risky behavior and improve the social structure of the community.**
